

## **SCRAPPY BARGELLO QUILT CLASS**

DATE: Sat. September 11, 2010

TIME: 10:30 am until

This class will help you make a dent in your scrap stash.

The quilt measures 48" x 64" without borders, if you like I can show you how to make the braided borders also.

### Supplies.

128 (2 1/2" x 16") strips.

(If you can, make them all different and if you want to bring extra to exchange that is fun too).

(One persons scraps can be another persons treasure).

### Basic sewing machine supplies plus sewing machine.

Thread, bobbins etc.

A sharp rotary cutter and ruler.

Seam ripper.

Scissors

If you have a small iron that will be handy also to iron right at your station.

If you want to bring a lunch or go out for lunch that will be fine.

By the time you go to lunch you will already be on your way on your bargello quilt top. We have a lot of fun swapping strips, and during the class she will share some of her helpful tips that she uses while sewing.

This class is very easy for the beginner and advanced.
